

## Returns Policy

You may return most new, unopened items within 30 days of delivery for a refund. If the item has been used we will assess a restocking fee.

You should expect to receive your refund within four weeks of giving your package to the return shipper, however, in many cases you will receive a refund more quickly. This time period includes the transit time for us to receive your return from the shipper (5 to 10 business days), the time it takes us to process your return once we receive it (3 to 5 business days), and the time it takes your bank to process our refund request (5 to 10 business days).

Send your gear in new, unused, and clean condition to us with the following information:
